Gold Humanism Honor Society Oath

I pledge by all that I hold dear as a Physician:

* I will Care for my patients with Compassion, Respect, Empathy, Integrity and Clinical Excellence;
* I will Listen to my patients with my whole being;
* I will Advocate for each patient as a unique individual;
* I will Serve as a roll model and mentor to promote humanism in health care;
* I will Remember always the healing power of acts of caring;
* I will Dedicte myself to joining with others to make health care optimal for all.

Induction Ceremony
Jon Allen, M.D., FACP
Charles Christianson, M.D., Sc.M.

Recital of GHHS Oath

Gold Humanism Honor Society

Committed to fostering a culture of professionalism and humanism, University of North Dakota School of Medicine and Health Sciences has established a chapter of the Gold Humanism Honor Society (GHHS). This chapter provides a formal mechanism to highlight and recognize, as a group, those students who exhibit high levels of humanistic qualities in their day-to-day lives. These qualities include: integrity, sound moral reasoning; compassion and empathy towards patients; effective communication skills, the ability to engender trust and confidence among patients, staff, and colleagues; and a deep commitment to humanitarian services.

Limited to fifteen percent of the senior class, inductees are nominated by their peers and confirmed by the school’s GHHS Oversight Committee. Students considered for chapter membership are in good academic standing and are recognized for their outstanding humanistic behaviors.

Tonight’s banquet and induction ceremony marks the ninth class of GHHS Chapter members selected at University of North Dakota School of Medicine and Health Sciences.

Congratulations to each of our student and faculty inductees!

Gold Humanism Honor Society Inductees

Class of 2018
